- / Kreinik very fine braid #4 002HL

Weeks Dye Works wool felt - Camel  
 Gem Tac glue  
 8 mm gold jump ring  
 tapestry needle

**Stitch count:** 11 W x 16 H

## To Make Pendant

Stitch the design with the fabric and fibers of your choice.

Add a star or eyelet where shown, and backstitch the outline.

Spread glue on the back side of the needlework, and attach felt, pressing well around the edges. Allow to dry.

Trim with sharp scissors.

Use a large needle to make a hole in the center top then insert jump ring through fabric and felt.
